Turn off the Kampala – Entebbe Road in the centre of Kajjansi at the footbridge 1.

Follow the murram road until you reach the junction at point 2 where you turn right at the airfield sign.

Follow the road through a small industrial area, keeping to the right, passing a rural area until reaching a junction on the left as shown at 3.

Keep following the track passing straight on at the first airfield sign for the Aeroclub at point 4, for another 1km.

On reaching the next sign 5, turn left and arrive at the MAF gate and terminal building.
